STOCK BROKERS, GOVERNMENT SECURITIES, 22 STATE ST., BOSTON.

ated our readers on Wedner day morning last with a telegraphic synopels of the annual report of the Secretary

of the premium on gold. The premium of the premium of gold is simply the discount on paper force until last year. The command of the magnificent armada then fitted out was greenbacks is not how caused, as may have been the case during some of the darker periods through which the nation passed in its struggle with armed rebellion, by popular distrust of the nation's integrity, but is the legitimate result of an excess of but is the legitimate result of an excess of plan, and it was projected.

This reflection in your editorial columns is both unkind and unjust, as nothing to suppose the furth. Had I reasons for suspecting your motives, I should think you purposely intended to injure my character and standing among it was undertaken by Admiral Porter. After the first failure, this officer earnestly protested against the abandonment of the plan, and it was at his solicitation that the second assault was projected.

This reflection in your editorial columns is both unkind and unjust, as nothing to suppose in the point of the truth. Had I reasons for suspecting your motives, I should think you purposely intended to injure my character and standing among it was prevented by the timely arrival of the boy's father.

Gen. Walter M. Blake, one of the earlier of the boy's father.

Gen. Walter M. Blake, one of the corpus and been a member of the county offices and been a member of the county offices and only of the county offices and office and the count of the county in the count of the magnificent armada then fitted out was office that veteran declining it on account of impaired health, should think you purposely intended to injure my character and standing among it was prevented by the timely arrival of the boy's father.

Gen. Walter M. Blake, one of the corpus make his escape by attacking of call, but was prevented by the timely arrival of the boy's father.

Gen. Walter M. Blake, one of the corpus make his escape by attacking of call, but was at the prevented to make his escape to the call, but a second of the county o prices of goods are governed by the rate | Since the fall of Fort Fisher the navy

of premium on gold, then the most practi-cable way to reduce prices is to bring gold liancy, and the work of retrenchment has Generals Harker and McPherson, who and luxuries, are only a small per centum now four foreign squadrons—the Europelower now, with gold at forty-seven per cent premium, than they were when gold the first three having been organized any means torture my language into conand eighty-five per cen'. Why? Partly cific was not abandoned during the war, because an excessive supply of currency In 1860, there were five squadrons num-has tended to reduce its value; or, in oth-bering thirty-one vessels, carrying four recalling the deeds of the whole army to er words, to establish a new standard of hundred and forty-five guns. There are which the 23d Corps was attached, and values; money being superabundant, now on the several stations abroad thirtysore of it is required to procure a given six vessels mounting three hundred and man. Several of the officers mentioned in amount of goods than would be the case forty-seven guns, and carrying fifty-six if it were less plentiful: partly because howitzers. The Secretary speaks very if undue distinction was made, would ceran inflated currency induces a spirit of highly of the iron-clads which have been tainly have been eulogized, as their conpeculation, leading to the most reckless laid up at Langue Island, where removed duct merited.

The Secretary gives a large portion of iniversal concomitants of an expanded his report to a description of the manage-currency and the inevitable precursors of ment of the blockade, and to a history of ciated through the most trying years of my financial revulsion. Let us view this subject in the light of the past. To do so, we will go back to the financial crisis of 1837 justly upon the cause of Great Britain in and its causes. The bank circulation in reference to the Sea King or Shenandoah. 1830 was less than sixty-one and a half mil-The number of men connected with the

of the Navy, but upon examining that doe ment we find so many interesting and mportant facts omitted in that synopsis Contraction of the Currency.

Attention is called to that portion of the Report of the Secretary of the Treasury which refers to the necessity for and the fsaaibility of reducing the amount of paper money now in circuisation. That there is a supply of currency far in excess of the requirements of trade, is evidenced by the exorbitant prices prevailing throughout the country. It is useless to any that prices decline with the reduction of the Currency.

Important facts omitted in that synopsis that we have determined, at some risk of repetition, at some risk of repetition, at some risk of repetition, to condense the essence of the report into an editorial article. The report into an editorial article with report into an editorial article. The report into an editorial article with report into an editorial article. The report into an editorial article with report into an editorial article. The report into an editorial article with report into an editorial article. The report into an editorial article with report into an editorial article. The report into an editorial article with report into an editorial article. The report into an editorial article with the result on to coupling a train of cars on the railroad. Young kellor was formerly a member of Co. H, Il3th regiment, Ohio Infantry.

The coupling a train of cars on the railroad. The report into an editorial article with the cou say that prices decline with the reduction of the premium on gold. The premium of a sufficient military on gold is simply the discount on representation of a sufficient military.

The command of the premium of gold is simply the discount on representation of a sufficient military that it is attributed to represent the to secure that it is attributed to represent the thing it is attributed to represent the thing it is attributed to represent the properties.

ASHTABULA COUNTY.

cable way to reduce prices is to bring gold down to par by strengthening the currency until a dollar in paper shall be worth a dollar in paper shall be worth a dollar in gold. This can only be done by reducing the supply of paper money to the standard of necessity. But it is not exactly true that prices of fabrics vary with the gold market. Prices of most articles of consumption, both necessaries and the work of retrenchment has been the chief employment of the Department. In January last there were four hundred and fifty-five guns employed in blockading service. There are now but twenty-nine vessels remaining on ticles of consumption, both necessaries and the work of retrenchment has been the chief employment of the Department. In January last there were four hundred and seventy vessels and twothous and four hundred and fifty-five guns employed in blockading service. There are now but twenty-nine vessels remaining on the coast, carrying two hundred and ten guld market. Prices of most are ticles of consumption, both necessaries and well asked Atlanta can be son, of Conneaut, was killed by an accidental shot, while at a shooting match in Michigan.

C. S. Harris, formerly of Conneaut, was robbed of \$1,300—\$950 cash, balance of throughout the entire army. Their loss was not confined to any particular organization, but they were mourned and lamented throughout the entire army. There is not confined to any particular organization, but they were mourned and lamented throughout the entire army. There is not confined to any particular organization, but they were mourned and lamented throughout the entire army will take exception to the mention of these brave men, or attribute to ment. In January last there were four paign, in which the 23d Corps held such a prominent place, have but eight lines devoted to their memory. Their loss was not confined to any particular organization, but they were mourned and lamented throughout the entire army. There is not confined to any particular organization, but they were mourned and and luxuries, are only a small per centum lower now, with gold at forty-seven per cent. premium, than they were when gold commanded a premium of one hundred and gighty-five per cent. Why? Partly because an excessive supply of currency. In 1860, there were five squadrons numpers and surveying the squadrons numpers and surveying the state of the same upon at the squadrons numpers for our heatback and surveying the state of the same upon at the same upon an economical scale. The Parties of casting disparagement upon the immortal deeds of others. He mean motives of casting disparagement upon the immortal deeds of others. He must be morbidly sensitive who can by any means torture my language into conveying the thought that a spirit of vindictiveness in any way actuated me when preparing a power for our heatback as the same of t

years one man was killed by an explosion and another by a piece of timber striking him, and the mill itself once burned down. disregard of sound financial principles.
In this lies the great danger of the country. Excessive importations, extravagant preservation. Statistics during the war Realizing acutely the injuries you have Realizing acutely the injuries you have caped upon me in accusing me of malig-

haps save life is sent soon. In nearly every church and neighborhood, a box or barrel of such clothing might be made up day night, as the Cincinnati papers state the court-room was entered and the Clerk's desk broken open and every indictment on "Cleveland Freedments Aid Commission." In nearly every church and neighborhood, a box or barrel of such clothing might be made up within the next ten days. Let this be done immediately and forward to the "Cleveland Freedments Aid Commission." In nearly every and Benjamin Wood, like a boarding school miss wearing a jockey hat and patridge for thirty-five years has lived in Massillon, and in all respects so conducted herself as to have the respect of who are acquainted with gun-cotton and pumpkins, mounted on an Amoskeag eteam engine, making its way to the race between the Wincoaki like in the M. E. Congregation, at Cantillo and the clerk's done immediately and forward to the one of the Tunisian visitors, Hording for thirty-five years has lived in Massillon, and in all respects so conducted herself as to have the respect of who are acquainted with gun-cotton and pumpkins, mounted on an Amoskeag eteam engine, making its way to the race between the Wincoaki desk broken open and every indictment on filestolen. A new indictment, by a special Grand Jury, will be returned with the least possible delay. Whether this larceny has anything to do with the inpending trial of the supposed murderers is quite another question. The case is a vory curious one, and we hope that the authori-

An Enthusiastic Welcome General Grant arrived in Charleston of Friday of last week, and had an enthusi astic reception. The News says: "The crowd which gathered to meet the General was large, and the colored ele-ment exceedingly demonstrative. The

chief, severally extended their welcom General Grant then proceeded to the head "The evening was the occasion of a demonstration by the colored citizens. These, to the number of five or eight husdred, gathered in procession, with a flag and a triangular transparency bearing the words Union League Number One, and marched to the residence of General

Sickles, in Charlotte street.

Gen. Grant came forward to the rail ing of the portico of the mansion, and simply bowed his thanks. "At this moment a white man, Mr. Cof-

rirtue and entirety, and we thank God

"In response General Sickles came for-ward and spoke as follows:
"I am requested by General Grant to return his most heartfelt thanks for this spontaneous tribute of respect from the loyal people of Charleston. He appreciates at its just value this compliment—
this spontaneous emanation from the loyal
heart of South Carolina. [Cheers.] I heart of South Carolina, [Cheers.] I need not assure you that it is from no lack of appreciation of your sentiments the General does not appear in person to make

General Grant a dinner, but it was de lined, as follows: "CHARLESTON, Dec. 1, 1865.

General Grant's regrets.
"I am, gentlemen, with high regard,
